Our institute has a practice of collecting feedback from the students, every year. As they are the most important stakeholders of the institute, their feedback is very important. This year the feedback forms were distributed among the students and same were collected back during 5th March 2014 to 25th March, 2014.

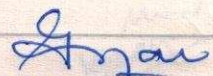

In the meeting of the Feedback Committee the members analyzed the the feedback forms orally and in detail. Most of the students expressed their satisfaction for the performance of our highly qualified teachers.

2014-15

The analysis of the feedback was informally communicated to the staff members for the further improvement.

The same analysis was also conveyed to the college authorities and IQAC.

The committee meeting was concluded with the vote of thanks.
