Every year our institute has a practice of collecting feedback from the students as they are the most important stakeholders of our institute. Feedback being important for the progress of the institute, this year the Feedback forms were distributed among the students and same were collected back during 10th March, 2015 to 25th March, 2015.

The responses of the students were orally discussed in the meeting of Feedback Committee in detail. As our faculty members are highly qualified, we were pleased to find out that the most of the students were satisfied with the performance of our faculties.

The F. & B. Com students suggested

2015-16

that one more division of F.X.B. Com may be started or B.Com with Accounting and Finance should be introduced in the college because many students who have passed HSC examination could not get admission in the college in the year 2014-15.

When this matter was brought to the notice of our Principal, he readily accepted the suggestion and promised the Feedback Committee that he would try to introduce the new course as early as possible.

The analysis of the feedback was informally communicated to the staff members.

The same was conveyed to the college authorities and IQAC.

The committee meeting was concluded with the vote of thanks.
